Ethel:

The briefing paper is attached first. There are six additional documents attached that supplement the briefing paper and should be included in the read-ahead package:

DOJ-EPA's March 16, 2018 response and attachment (two documents);  
KMG's August 3, 2018 letter and attachment (two documents); and  
Region 8's July 24, 2018 briefing paper for OECA management - contains information claimed CBI.

Please contact us with any questions or if additional information is required.

Thanks for all of your assistance scheduling - it is greatly appreciated.
